Re: Prescription Drug Coverage

As you may already know, neither Medicare nor Medicare Supplement plans include coverage for prescription drugs. Medicare Part D prescription drug plans are offered by private insurers through Medicare-approved Rx plans. Accordingly, if you wish us to assist you in identifying an appropriate Prescription Drug Plan, please provide us with the following:

Your Name _____

Address _____

Telephone _____ Email _____

Do you have a preferred pharmacy? (name) _____

Do you want to know if cheaper at another pharmacy? Yes _____ No _____

<u>Name of Medication (full name from pill bottle)</u>	<u>Dosage</u>	<u>Frequency</u>
For Example : Amlodipine Besylate/Benazepril HCL	20 mg	1 tab 3 x day

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

(Use additional sheets if necessary)
